CITY OF SAVANNAH

APPLICATION FOR WATER/SEWER SERVICE AND INSTALLATION OF WATER METER

Please read and sign. I hereby authorize the licensed master plumber shown below to complete and sign this application for water service and installation of a water meter (or meters) for my property as described on this form. It is clearly understood that this service is and will continue to be subject to the provision of the Savannah Code and other regulations of the city of Savannah

_____	_____	_____
Owners Name	Owners Address	Owners Telephone Number
_____	_____	_____
Property Address	Subdivision	Lot and PIN Number

Meter(s) are for: New Job ☐ Remodeled Job ☐ Separation ☐ Irrigation ☐ (Please check which applies)

This application cannot be processed and water will not be provided unless a **Building Permit** (if required) and a **Right-of-Way Permit** (if required) has been issued for the job. **Building Permit #** _____ **Right-of-Way Permit #** _____

The meter installation fee and any water or sewer connection fees required must accompany this application. Contact Water & Sewer Planning and Engineering (912-651-6573) to determine the additional connection fees required. Your application will not be processed without payment of all required fees. **Please enter the number of meters and sizes required and send this application with the appropriate fees to: City of Savannah, Water & Sewer Planning and Engineering, PO Box 1027, Savannah GA 31402.**
Plumbers shall be required to make the installation where **six (6)** or more meters are required at the same general locations or two-inch and larger meters are used.
